Call to Order

Roll Call All members present except Chip Wibright

Jason opened the meeting by discussing the newly mandated cybersecurity guidelines issued by the Auditor of State.

Roger distributed informational packets to the group, including templates and related materials. He reminded the group that the village has a July 1st deadline to implement the cybersecurity policy and noted that the policy will not be considered a public record.

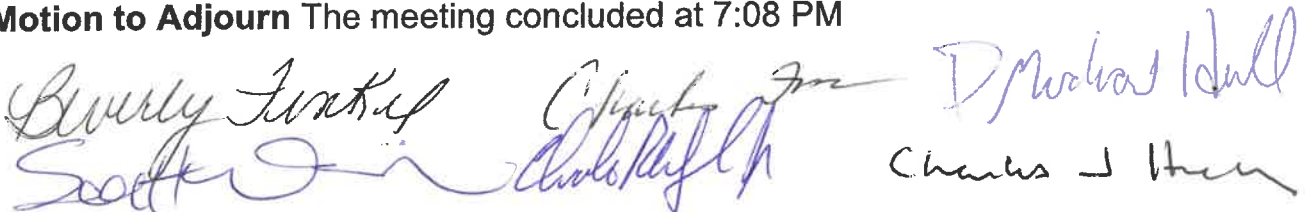

Scott discussed the importance of annual cybersecurity training for all departments.

Shawn emphasized the importance of reporting cybersecurity incidents, encouraging staff to notify the appropriate person if they accidentally click on a scam or phishing link. He noted that there is nothing to be embarrassed about.

Beverly discussed the need for council members to have official village email accounts.

The group agreed to review the provided templates and reconvene in the near future.

Motion to Adjourn The meeting concluded at 7:08 PM
